

2025-2026 BUY FRESH BUY LOCAL GUIDE

# COMMUNITY SPONSOR

## STRENGTHENING OUR LOCAL FOOD SYSTEM

Join us in supporting the region's agricultural community! The Piedmont Environmental Council (PEC) believes that working with farmers and conserving farmland strengthens and sustains a critical resource: our local food system.

PEC coordinates three chapters of Buy Fresh Buy Local (BFBL): Loudoun, Northern Piedmont and Charlottesville Area.

Our biennial guides are mailed to **310,000** households — connecting residents with fresh, local food and promoting the rural economy.

**90%** of participating farms say their customers mention our *Buy Fresh Buy Local* guide.
