Hi Rob –

Apologies, I was out Monday and today so I am just seeing your message now. Can you send me a few times that will work for you this Thurs/Friday and/or next Monday? I didn't realize my colleague Becky was traveling this week and want to make sure she can join as well. Thank you!

Good morning Amy,

I apologize, the Town was closed on Friday. I do have availability this Wednesday....just let me know what time works for you.

Thank you,
Rob

Good evening Rob –

We met previously to discuss our plans for the Weissburg property. I'd like to set up time with you to further discuss the text amendment to allow for DC use in the Town of Warrenton. Time is of the essence for us; do you have any availability tomorrow (Friday – 6/18) or Wednesday (6/23)?

Thank you,

Amy Vetal
