ORPHANED LAND ADVISORY COMMITTEE
REVIEW REPORT

Review of Orphaned Land Site Report:

Field Supervisor: Allen Bishop County: Orange

Location of Property: .4 mi. on Rt. 667 east side from its junction with
Rt. 3 at Wilderness

Acres Involved: 1.0 Type of Mine: gold, deep

Name of Landowner: _____

Address: _____

Telephone: _____

Nature of Problems According to Field Supervisor: _____

Potential groundwater contamination exist due to the open shafts existing.
Fatal fall hazards exist due to the open shafts and the influx of population
to the area.

Approximate Cost of Reclaiming Site: \$5,800

Committee Recommendations: Recommend elimination of open shafts.
