

Step 1: Sign up for Solarize PEC!

Step 2: Send utility bill and sign letter of interest.

- Email these to solarize@pecva.org

Step 3: Receive call from LEAP

- Get results of initial satellite assessment.

Step 4: Your information will be sent to an installer.

- They will contact you within the next 7 days.

Step 5: Schedule a solar site assessment with your installer.

- Be sure to discuss your expectations and goals together.

Step 6: Enjoy learning about your potential during your solar site assessment.

- Your installer will provide a proposal for a solar system for your home.

Step 7: Review your proposal.

- The price on your proposal will be good for 30 days. Feel free to ask LEAP or your installer any questions you may have.

Step 8: Sign your contract!

- Enjoy lower electricity bills, increased energy independence and green production!
